Essay

Please provide an original essay (1-3 Pages in Length, Double Spaced, Typewritten, Max 12 PT (font) responding to the question: **Mental Health has been an issue within the African American community for quite some time. Disrupting school and interactions with peers, the pandemic has left teens with stress, anxiety, and other mental health challenges. According to an article written by Greta Anderson titled, "Mental Health Needs Rise With Pandemic" she indicates there is a growing concern among teens, and their ability to handle it. What barriers do you see, if any for middle school, high school and college students in managing their mental health (more specifically African Americans). What three recommendations would you have for Education Administrators across the country to address mental health concerns of teens?**
